

PREFERRED LENDER LISTS AND ARRANGEMENTS

Preferred Lender Lists

DCAD participates in the William D. Ford Direct Loan Program which provides student and parent loans through the U.S. Department of Education and does not currently utilize a preferred lender list for private educational loans. No lender is given preferred status or is given any advantage in securing potential borrowers.

Students and parents are free to select the lending institution of their choice. DCAD will not restrict students from selecting a particular lender, delay certification, or refuse to certify private educational loans for our students.

Preferred Lender Arrangements

Students and parents are free to select the lending institution of their choice. DCAD will not restrict students from selecting a particular lender, delay certification, or refuse to certify private educational loans for our students.
